

Spring Legal-Lerie

MARCH 2018

www.legalchamberofcommerce.ca

Food, in the end, in our own tradition, is something holy. It's not about nutrients and calories. It's about sharing. It's about honesty. It's about identity. ~ Louise Fresco.

M and M Catering represents all three of those virtues. Owned and operated by Melanie Krupa and Maria Krupa, a mother-daughter operation. M and M Catering is a Catering business, with much experience and expertise. Their Moto is "Big or small, we'll cater them all", and that's exactly what they will do. They've done: Funerals, Weddings, Conferences, Family Reunions, Meetings, etc. They take pride in the food that they create, and always choose to purchase local ingredients and serve as many homemade items as possible.

M and M Catering has deep roots in the town of legal. Maria formerly owned the business for 18 years, and decided to take a break in 2013. After much consideration, the business started up once again, and is ready to take on new challenges! Melanie attended Legal School from Kindergarten to Grade 9, and still continues to volunteer coach the Girls Basketball Team throughout the season. Maria was in charge of the Hot Lunch Program at Legal School for many years. She was also an active volunteer throughout her 3 kids' time at Legal School, and continues to do so today. Maria had also catered lots of events in the Town of Legal before Melanie joined the business.

When asked "what's the best part of your business" Melanie quickly responded: "The employees! These ladies and gentleman are the reason that we have such a great connection, and love doing what we are doing. We can always depend on our employees to help make each and every event a success. Not only are our employees great, they are also some of our best friends. We also enjoy the fact that we get to spend more time together, strengthening our mother-daughter bond. We are very thankful for our repeat clients, and that our advertising has been by word of mouth, and for that, we are very grateful".

We still have some open dates for 2018 bookings, offering a variety of services which include:

Catering services, bartending services, cupcake making and decorating services, as well as decorating for your special event.

(no program Feb. 8th & Mar 29th)

COUNCIL UPDATES

- At the February 5, 2018 regular council meeting council directed administration to contact AECOM Engineering to provide cost to undertake a feasibility study to extend sewer services along 50 Ave west of 53 St.
- The Town of Legal has entered into a contract with Box Clever Incorporated to develop a new Town website. Box Clever is an Edmonton based company who has extensive experience developing municipal websites across Western Canada. It's anticipated that the Town will have the new site ready by the end of June.
- The Town of Legal has contracted Amanda Davis (2052900 Alberta Ltd) to manage and edit the content for the site. Amanda will be reaching out to local organizations for a synopsis of your organization goals and objectives. We encourage you all to be open and transparent with Amanda and to provide her with information in timely manner.
- Town Council approved the purchase of a combination sewer flusher in the amount of \$165,000.00 to replace the current 1989 unit. Funding for the purchase will come from MSI Capital grants.

On February 7, 2018, the Town of Legal hosted a Town Hall Policing meeting with representatives of the RCMP, Alberta Solicitor General, and the Sturgeon Rural Crime Watch Association (SRCWA). Approximately 60 residents were in attendance for the event. Chief Superintendent District Officer Mehdizadeh began the presentation by emphasizing that Legal is a safe community with only 60 reported crimes for 2017. The RCMP presentation focused on two central topics – smart policing (problem focused and data driven within a framework of community partnerships) and hot spot policing (using statistical data to determine where high crime areas are). Sgt. Kendall emphasized that it is important for residents to report seemingly trivial crimes, such as minor or attempted thefts of personal items from vehicles. If crimes are not being reported, the RCMP cannot determine where the hotspots are. Knowing this information informs the RCMP of where to conduct more frequent patrols and concentrate their efforts. The SRCWA echoed the RCMP advice to residents about the importance of reporting any and all crimes. The SRCWA website will soon have tips to help residents understand how to prevent crime on their property. The SRCWA will also be partnering with businesses that have been victimized with the goal of blanketing Sturgeon County with timely information that creates a strong deterrent to criminals.

REMEMBER

Keep everything locked up and be a deterrent to crime.

Employment Opportunities

Submit your resume to:

Town of Legal, Box 390, Legal AB, T0G 1L0 or Fax 780-961-4133 or Email: main@legal.ca. **Deadline for submissions is April 6, 2018.**

The Town of Legal thanks all applicants, however, only those selected for an interview will be contacted.

Public Works/Utility Operator Assistant – (1 Position)

Duration: 16 Wks (35 hrs/wk) May 7 - Aug 24/18

Under the direction of the Public Works Supervisor, the employee will be responsible and accountable for duties related to water sewer systems, road maintenance and building facilities.

Job responsibilities include: operation of light vehicles, small commercial tractors, tools and other specialized maintenance tools and equipment, minor road repair, crack sealing, crosswalk painting, pothole repairs, sidewalk repairs, inspection and inventory, inspections and installation, hydrant inspections & painting, exercising of water valves, minor repairs to buildings, inputting data on the asset management system and other related duties as assigned.

Applicant must have a strong work ethic and motivation, a valid driver's license prior to being hired, and be a resident of Alberta. Priority will be given to post secondary students returning to school in the fall semester, experience relating to the position, and to those who can provide certification in First Aid or willingness to obtain prior to employment date.

Parks & Recreation & Facility Operator Assistant – (1 Position)

Duration: 16 Wks (35 hrs/wk) May 7 - Aug 24/18

Will be responsible and accountable for daily maintenance of ball diamonds, the operation and maintenance of the RV & Day Use Park, Centennial & Citadel Park facilities and trail system.

Job Responsibilities include: operation of light vehicles, commercial mowers, tractors, small cutting/hedge trimming

machinery, power tools and other specialized seasonal maintenance equipment, grass cutting, daily grooming of shale ball diamonds, fence repairs, inspection of playground equipment, painting, signage, carpentry, maintenance of light equipment & mowers, with construction and landscaping projects, horticulturist/arborist duties and other related duties as assigned.

Applicant must have a strong work ethic and motivation, a valid driver's license prior to being hired, and be a resident of Alberta. Priority will be given to post secondary students returning to school in the fall semester, experience relating to the position, and to those who can provide certification in First Aid or willingness to obtain prior to employment date.

Parks & Recreation & Facility Operator & Playground Assistant – (1 Position)

Duration: 8 wks (35 hrs/wk) Jul 9-Aug 31/18

Duties may include the combination of 2 positions: Parks & Recreation & Facility Assistant and/or Playground Assistant between July 9-August 31/18. Responsibilities and details of each position can be found under the Parks & Recreation & Facility Operator Assistant listed above and responsibilities for Playground Assistant which are listed below.

Applicant will require certification in First Aid or willingness to obtain prior to employment date and must have a valid class 5 driver's license prior to employment.

Office Assistant/

Duration: 8 wks (35 hrs/wk) Jul 3 - Aug 24/18

Playground Recreation Program Leader Combined - (1 Position)

Duties will include the combination of 2 positions: Playground Program Leader (from July 9-August 3) which consists of planning, implementing and evaluating a leadership program for children ages 4 to 10 years old and Office Assistant (from August 4-24) which consists of general office duties.

Applicant must work effectively and efficiently with others; experience working with children. Applicant requires certification in First Aid or willingness to obtain prior to employment date and must have a valid class 5 driver's license prior to employment.

Playground Recreation Assistant - (1 Position)

Duration: 4 weeks (35 hours/week) Jul 9 - Aug 3/18

Individuals will be responsible for the care and supervision of children aged 4 to 6 years in the mornings (8:45 am to 12:00 pm) and children aged 7 to 10 years in the afternoon (12:45 pm to 4:15 pm). The applicant must possess leadership qualities, a good work ethic and be self-motivated; proficient in planning and implementing age appropriate activities for the duration of the program.

Applicants must work effectively and efficiently with others or alone; experience working with children and other related experience. Priority will be given to those who can provide certification in First Aid or willingness to obtain prior to employment date.

* In the event that we do not receive applications for the full 4 week position, 2 applicants may be considered for a 2 week interval.

Please indicate which you are applying for: Full 4 weeks; Week 1 & 2 – July 9 to 20 or Week 3 & 4 - July 23 to August 3.

LEGAL LIONS CLUB

The Legal Circuit Breakers Robotic Team had an impressive showing in their inaugural year. At the Alberta FIRST Tech Challenge Championships at the Telus World of Science, the Circuit Breakers placed sixth out of thirty-three teams and ultimately won the opportunity to join the third place alliance to battle for the championship.

The Circuit Breakers worked hard to get their team off the ground this season with a late start at the end of October. Meeting each week for 4 hours, the team of Grade 7 through 10 students worked to design, build, and program a robot that would ultimately thrive in a competitive end game entitled "FIRST Relic Recovery".

The Legal Circuit Breakers took home the "Connect Award" for connecting with our community and having participants from many different schools. We were also funded by the Legal Lions with a generous donation of \$2229. The Legal Lions covered the vast majority of the start up costs for the team. These materials can now be used for many years to come.

Students on team include: Vianah Boissonneault, Jeremiah Evans, Victoria Rivard, Evan Charrois, Benjamin Baril

Dan Charrois is the coach of the Legal Circuit Breakers FIRST Tech team. Being an electrical engineer with a computer programming background, and having just completed the building of an airplane after 11 years, coaching a FIRST Tech team was a good way to pass on some of the skills he has acquired.

As our current team was the youngest team in the Alberta Championship, we look forward to seeing what this team (including any new students who want to become involved) can accomplish next season. The winners of the Alberta Championship get to go on and compete at the World Championships in Houston, Texas in April. The team members will be taking the robot to their schools to share their learning and experiences with classmates

Legal Lions next meeting; Wednesday March 14th, 7:30pm @ Club 60 Roses

TOWN SQUARE BREWING COMPANY

A craft brewery with a heart for community. A place for family and friends, colleagues and sweet hearts to come together. A place where ideas are birthed, philosophies are debated and art is shared.

Town Squares mission is to provide palate pleasing experiences with our locally crafted beer, sodas, artisan pizzas and unique fare.

The Brewery: Beer doesn't get any fresher than this straight from the brewery into your glass we carefully source our malt from local Albertan Farmers ensuring the highest quality in craft beer.

The Kitchen: Special handcrafted 12" Pizzas, Calzones, Twists & Bread are made using spent grain straight out of our brewery. After brewing, the spent grain is collected, then add it to the flour and use it to bake artisan crusts.

For a full list of crafted beers & menu items visit:
www.townsquarebrewing.com
OR visit Brandon, Drew and all their amazing staff at 2919 Ellerslie Drive at Parsons Center – S Edmonton
