LEGAL FIRE DEPARTMENT

Its three o'clock in the morning and your radio goes off. In seconds you are awake and alert, within the next few minutes you are in your gear alongside your fellow Legal volunteer fire fighters, ready to help serve your community. However, these aren't just volunteers; the Legal Fire Department is like one large family.

It all got started in the 1940's, and in the time since then has developed into a pillar of the community. From running the demolition derby at the annual Fête au Village every year, to the fire education days at the school, the Legal Fire Department is present and active in every event in Legal.

I spoke to fire Chief Tracy Roulston, who has been a member since 1994. He would like the people of Legal to know that the Legal Fire Department is always actively recruiting new members. It is a terrific way to give back to the community and meet new people. Anyone 16 years of age or older, male or female is welcome, and encouraged to email a resume to firechief@legal.ca or drop one off at the Town of Legal office.

Legal Fire Department protects the Town of Legal, as well as a large part of Sturgeon County. They provide all of the training required, along with any subsequent follow up training. So come join these twenty-two amazing members, who some have been in service for thirty to forty years. A quote from Tracy;

"As serious as this job is, it's something that brings the kid out in everyone!"

Legal Fête au Village

LEGAL LIONS

Recently the Legal Lions Club made a \$2000.00 donation to STARS at the Edmonton Base facility from funds raised selling tickets on a quarter side of beef. In conjunction with the donation the Lions Club was invited to tour the base facilities and talk to the members of the flight crew. As Stars has recently transferred patience's from Legal to regional hospitals, the Lions Club thought it was appropriate to invited members of the Legal Chateau Sturgeon Seniors Lodge to join them in taking the tour and helping with the donation of the cheque.

This is the 30th anniversary of STARS which was originated by Lions members in 1985 as the Lions Air Ambulance Service.

Congratulations to STARS on their anniversary and thanks for all of life support you have given our communities.

Why Use a REALTOR®?

Buying a Home Condo Glossary Buying a Home Buying a home is one of the biggest financial decisions a person or family will make during their lives. A REALTOR® is a trained professional who can provide consultative advice and support while helping you successfully navigate this exciting (and often nerve-wracking) process. Why Sign a Buyer Representation Agreement? Effective July 1, 2014 the Real Estate Council of Alberta (RECA) requires all REALTORS® who establish a client relationship in residential real estate to enter into a Written Service Agreement with that client. Written Service Agreements are often referred to as a "Buyer Representation Agreement" or "Seller Representation Agreement", depending on whether you are buying or selling a home. Written Service Agreements help ensure the role of an industry professional is clear – making clients better informed with less confusion and fewer disputes.

To find out more about Written Service Agreements, visit RECA's website www.reca.ca
