ANDYS BEEF JERKY

There are many doubts in our lives, but the one irrefutable fact is every one love's Jerky. And Andys Jerky is as good as it gets.

Andys Jerky has been in business for ten years, started by a dear friend, Andy, hence the name. They started the business at a storefront on 118 Ave in Edmonton. Owned and operated by Heidi with help from Mike, Leah and Andy. They have an inspected facility in Edmonton and make their beef jerky fresh, each and every week.

They use local ingredients used as much as possible, and are 100% MSG and Gluten Free. They are proud to have 7 flavours;

- Original
- Peppered
- Teriyaki
- Maple
- Sweet & Spicy
- Honey Garlic
- Lava

Available in a variety of sizes: 1/4 lb, 1/2 lb and full pound.

If you thought jerky was as good as it gets, you thought wrong. They also make "cowboy whips" aka pepperoni sticks and on occasion chocolate covered jerky. To keep the fun going, they carry ongoing contests through their Facebook page and website, where you can win free products.

Andys Beef Jerky is constantly traveling throughout our great province of Alberta attending Farmers Markets, special events and roadside sales.

They are also proud to have an awesome Fundraising Program, and are excited to work with your non profit to raise money. To help meet your needs they also have online sales and free delivery. See details online.

Contact them today to place your order.
